The Honorable J. Kenneth Robinson

STAT

Dear Representative Robinson:

We are most pleased that you will be able to join our Executive Development Seminar on "CIA and the Congress" the afternoon of Tuesday, 10 March. This Seminar is being given for 18 of our Senior Intelligence Service officers to better acquaint them with the Agency's interaction with Congress and with the differences in perspectives that occur between the Legislative and Executive branches of government. We also will visit with the Select Committees.

Your session with the Seminar participants will be from 1:30 to 2:30 p.m. in Room 507 at the Arlington Center Building (formerly the Chamber of Commerce Building), 4600 North Fairfax Drive, Arlington, Virginia (in back of the new Holiday Inn). If you desire transportation while in the Washington
STAT   area, please inform the seminar director, _____ to make the
STAT   arrangements. _____

After your session there will be a panel discussion which will include members of the Office of Congressional Affairs and Danny Childs, the Comptroller. The panel is intended to permit a frank and open exchange between those officers at CIA who deal with Congress every day and the Senior Intelligence Service participants who do not. We will review the role of oversight and some of the intelligence services provided to Congress. Your meeting with the participants will provide very useful insights to the CIA-Congressional relationship as seen from the Hill before the group travels to Capitol Hill.

We would be pleased to offer you an honorarium of $265.00 and reimburse you for travel expenses.

Again, my thanks for your assistance.

Sincerely,

STAT
